南京柯耐特沃新材料有限公司

Nanjing Connect World New Material Co.,Ltd

选择CTW紧固件,连接世界

Choose CTW fasteners, Connecting the World

简介 Company

南京柯耐特沃新材料有限公司, 尽管于2024年方才崭露头角, 作为一家新兴的紧固件供应商, 却已坐拥近十年的深厚紧固件装备研发积淀。在这短暂而光辉的启程之际, 我们迅速崛起为紧固件行业内一股不可忽视的新势力。公司矢志不渝地秉承“为世界打造每一颗无瑕螺丝钉”的崇高企业使命, 矢志将精湛工艺与卓越品质融入每一份产品之中。

我们专注于为风电、高架桥、石油开采、化学工业以及工程机械等高端装备制造的前沿领域, 提供无与伦比的高质量产品与全方位服务。

我们的产品不仅具备高强度、耐腐蚀、耐磨损等优异性能, 更在细节之处彰显匠心独运, 让每一次连接都稳固可靠。

柯耐特沃紧固件, 无论何地何时, 都是连接之选, 让客户用得放心, 用得安心。哪里需要紧固件, 哪里就有柯耐特沃。

Although Nanjing Connect World only emerged in 2024, as an emerging fastener supplier, it has been sitting on a deep fastener equipment research and development accumulation for nearly a decade. In this short and glorious departure, we quickly rose to become a new force in the fastener industry that can not be ignored. The company unswervingly adheres to the lofty corporate mission of "creating every flawless screw for the world," and strives to integrate superb craftsmanship and excellent quality into every product.

We focus on the forefront of high-end equipment manufacturing for wind power, viaducts, oil exploration, chemical industry and construction machinery, providing unparalleled high-quality products and comprehensive services.

Our products not only have high strength, corrosion resistance, wear resistance and other excellent performance, but also show ingenuity in the details, so that every connection is stable and reliable.

Nanjing Connect World, no matter where and when, are the choice of connection, so that customers can rest assured, with peace of mind. Wherever there is a need for fasteners, there is Nanjing Connect World.

Nut production line

选择CTW紧固件
确保您的锻造紧固件无忧无虑
Choose CTW-fasteners to ensure
that your forged fasteners have no worries

1. 严格选择材料

1. Strict selection of materials
原材料层层筛选
Raw materials are screened layer by layer
标准化规格
The product is not easily corroded
不怕雨和阳光照射
Not afraid of rain and sun exposure

2. 精致工艺

2. Exquisite workmanship
专注于生产，拥有多年经验
Focused on production with years of experience
重新检查并放心使用
Recheck and use with confidence

**315T自动化
螺母生产线**
315T automation
Nut production line

3. 产品可靠性

3. Product reliability
硬度高，强度强
High hardness, strong strength
耐高温，耐腐蚀性好
high temperature resistance
and good corrosion resistance

**160T自动化
螺母生产线**
160T automation
Nut production line

4. 标准规格

4. Standard specifications
严格控制生产标准
Strictly control production standards
保持误差在可接受范围内
Keep the error within an acceptable range

**250T自动化
螺栓生产线**
250T automation
Bolt production line

5. 支持定制

5. Support customization
根据图纸和样品进行定制处理
Customized processing based on drawings and
samples
如需详细规格，请咨询客户服务
For detailed specifications, please consult
customer service
